The responsibility for checking and downloading from the website for updates is the end users.

The inclusion or exclusion of any given procedure or code does not in any way constitute a recommendation or preferred technique or approach to medical treatment. You should

not code directly from CrossCoder™ nor should it be used as a substitute for the AMA's Physicians Current Procedural Terminology (CPT) or the International Classification of Diseases, 9th Revision, Clinical Modification (ICD-9-CM).

The publishers of CrossCoder™ does not provide assistance or advice on coding issues. For questions regarding medical necessity contact your local Medicare Part B carrier.
